Bob Lemley

WIB Contracts/Performance/Polices/Procedures Committee Chairman

Bob Lemley has a wide variety of experience in housing and community development throughout the United States. His background in construction and real estate management is broadened by his public service tenure at the City of San Bernardino Economic Development Department, and various other San Bernardino County posts. In the private sector, Mr. Lemley has been a construction superintendent and project manager for various building and real estate development companies in the Southern California area. He has privately developed multiple housing projects and single-family housing sub-divisions.

Mr. Lemley has a degree in business administration, with a minor in finance from California State University at Long Beach.
